

Event postponement

The Tórshavn Darts Open and Faroe Islands Darts Open scheduled for 13th – 15th March will be postponed due to the Coronavirus epidemic. This decision is made in compliance with WDF Playing Tournament Rules No. 8.03

Following recommendations from Faroese health authorities and guidelines from the National Sports Associations the Tórshavn Darts Open and Faroe Islands Darts Open will now not take place as planned.

Glásir Tórshavn College (the venue) has cancelled the permission to stage the events at the premises due to contamination risks.

In the search for a new venue over the last 24 hours, event hosting restrictions in The Faroe Islands have been enhanced and we are at the moment unable to comply with these changes.

Authorities have also advised us on the fact, that travel recommendations from Foreign Ministries are changing so quickly at the moment, that foreign participants might end up in the situation where they are not able to return home after the events.

Dartsamband Føroya and Havnar Dartfelag are currently in correspondence with WDF to schedule new dates for the events. We might have these new dates confirmed already later tonight.

We have confirmation from Atlantic Airways, that foreign players who have booked their flight tickets directly from Atlantic Airways will be able to rebook to new dates without extra costs (we will inform you of new dates as soon as WDF has confirmed). Regarding accommodation we recommend, that you cancel immediately, in order to get eventual prepayments reimbursed. Concerning domestic travel and possibly other flight tickets, please check with your travel agency and travel insurance company.

As noted in a post on the event-page 6th March, the epidemic escalation could force us to make changes at a late moment. We are of course very sorry for this late postponement but we trust that you understand the circumstances under which these decisions have been made, with health authorities enhancing restrictions day by day.

Please address questions regarding this new information to following email address, hdf@mail.fo and we will try to answer and assist you at our best ability.

With kind regards

Hans Eivind Olsen, President of The Faroe Islands Darts Association

Jan McIntosh, Chair of Havnar Dartfelag
